RE: Professional Development Hours – 2019 Onsite Wastewater Mega-Conference, October 13-16, 2019, Loveland, CO

Dear Mr. Casey,

The application for professional development hours (PDH) for the National Onsite Wastewater Recycling Association 2019 Mega-Conference was received by the Department on September 9, 2019.

All of the general sessions are approved for the length of the session, either 0.5 or 1.0 hours. The following opening sessions are approved for PDH hours: *Keynote Address*, 0.5; *Update on EPA and the Decentralized Wastewater Program*, 0.5; *USDA's Rural Utilities Services Overview*, 0.5; and *David Dyjack, NEHA*, 0.5. The field trips are approved for half of the time of the trip; *Field Trip 1, High Strength Wastewater Facilities* is approved for 4 hours, and *County Permitted Commercial OWTS Utilizing Higher Level Treatment* is approved for 2 hours.

This training event will be added to the list of approved programs for continuing education on the NDEE website. As a reminder, please submit a list of attendees to the Department.

Thank you for the submittal.

Sincerely,

A handwritten signature in blue ink, appearing to read "Tom Buell".
