

NOWRA 17th Annual Technical Education Conference

Past, Present & Future: Water's Value is a Constant

2008 Call for Posters

Memphis Cook Convention Center
Memphis, Tennessee
April 7 – 10, 2008

The National Onsite Wastewater Recycling Association (NOWRA) welcomes abstracts for posters to be presented at the NOWRA Annual Conference in Memphis, Tennessee on April 7-10, 2008.

The NOWRA annual conference serves as the premier conference for the conveyance of new research, regulations and policy, experience and practices in the decentralized wastewater industry. The conference's exposition hall provides an invaluable opportunity to network and view the current and emerging technologies in decentralized wastewater treatment.

The 2008 conference is being held on the shores of the Mississippi River in Memphis, Tennessee and is a follow up of the 2007 international conference. NOWRA is promoting a holistic view of water and water resources and is fundamentally interested in promoting appropriate technology and processes for water and waste water. Based on the historic, current and emerging issues of the great river city of Memphis and the overall goals of NOWRA, the theme for this conference is *Past, Present and Future: Water's Value is a Constant*.

Two types of posters are open for considerations:

1. Technical topics including both case studies with limited data and research projects with a larger data set.
2. Policy topics dealing with regulations & policy, management, etc

Questions about the applicability of topic should be discussed with Committee Chair, Sara Christopherson by email at shc@umn.edu or by phone at 612-625-7243.

Poster Abstract Deadlines

1. Abstracts submittals are due by January 4th, 2008
2. They will be submitted electronically to NOWRA's Education Chairperson at shc@umn.edu
3. Confirmation of submission will be sent via email within one week of the abstract being received.
4. Poster formatting requirements will be provided by February 1.

Submittal Procedures

The following information is needed to submit your paper via the web site:
