

Drip Reference Materials with PDF's Provided

Berkowitz, S. 1999. Subsurface drip wastewater systems -- North Carolina's regulation and experience. In: Proceedings, 6th Northwest On-Site Wastewater Treatment Short Course and Exhibition, Engineering Professionals Programs, University of Washington, Seattle. pp 127-139.

Berkowitz, S.J. 2001. Hydraulic Performance of Subsurface Wastewater Drip Systems. In: *On-Site Wastewater Treatment, Proc. Ninth Natl. Symp. on Individual and Small Community Sewage Systems*. March 11-14, 2001 (Fort Worth, Texas, USA), ed. K. Mancl., St. Joseph, Mich. ASAE 701P0009

Berkowitz, S.J. and J.R. Harman. 1994. Computer Program for Evaluating the Hydraulic Design of Subsurface Wastewater Drip Irrigation System Pipe Networks. In: *On-Site Wastewater Treatment, Proc. Seventh Natl. Symp. on Individual and Small Community Sewage Systems, Dec. 11-1994, Atlanta, GA. ASAE, St. Joseph, MI.* pp 474-484

Buchanan, J.R. and T.J. Garrett. 2006. Drip Tubing Hydraulics During Pressurization. Paper presented at NOWRA 16th Annual Technical Education Conference & Exposition

Buchanan, J.R. and B.S. Hillenbrand. 2014. An Investigation for the Need of Secondary Treatment of Residential Wastewater when Applied with a Subsurface Drip Irrigation System. In: *Innovations in Soil-based Onsite Wastewater Treatment: Proceeding of the Soil Science Society of America Conference, Albuquerque, 6-7 Apr. 2014.* 6 pp

Casaleto, D.; T. Wallace, R. Miles. 2007. Overcoming Tough Site Conditions at Table Rock Lake Using Drip Dispersal in Imported Soil. In: NOWRA 16th Annual Technical Education Conference & Exposition (Baltimore, Maryland). Paper VI-IS-07-14

Kahl, M. 2007. Subsurface Drip Dispersal of Effluent on Steep Slopes. All Inclusive Water/Wastewater Solutions, Inc. Auburn, CA

North Carolina 18E Rules for Drip Systems, Effective January 1, 2024.

Otis, R.J.; R.A. Apfel. 1994. Evaluation of Hydraulic Loading Criteria for the "Perc-Rite" Subsurface Drip Irrigation Systems. Prepared for Waste Water Systems, Inc. Ayers Associates. 26 pp.

Wallace, S.D. 2001. Design & Performance of Drip Irrigation Systems in Freezing Environments. In: *Proceedings of the NOWRA Annual Meeting. National Onsite Wastewater Recycling Association, Laurel Maryland. 2001.*
