Hi Jane,

After doing a little research, it appears we do not have many folks from Iowa attend this conference. Rather than us evaluating the entire agenda, if someone from Iowa does attend, have them submit the sessions they attended and we can evaluate them on a case by case basis.

Thanks,

While you are clearing your desk for the long weekend. Please consider the request for approval of CEUs related to the 2019 Onsite Wastewater Mega-Conference (sent Aug. 2).

The curriculum summary is attached. Thank you in advance for your consideration.

Best regards, Jane
