RE: Continuing education for sewage treatment system contractors

Mr. Casey:

This letter is to inform you that the educational programming for the NOWRA 2020 Virtual Onsite Wastewater Mega-Conference scheduled for November 16-18, 2020 has been approved for up to seventeen (17) hours continuing education (CE) hours for sewage treatment system contractors, including installers, septage haulers, and service providers. Each session included in the education tracks offered on Monday, Tuesday, and Wednesday (except those specified below) is approved to the nearest one quarter contact hour. (e.g.. A session lasting forty (40) or fifty (50) minutes would be 0.75 continuing education hours)

Monday, November 16, 2020	Up to six (6) hours
Tuesday, November 17, 2020	Up to six (6) hours
Wednesday, November 18, 2020	Up to six (5) hours

**Please note: The “Regulation in Virginia” Mini-track and “Onsite Wastewater Research Funding-Texas Model” are not approved for CE for Ohio STS Contractors.**

Attendees may apply credits for each session attended to the **2021** registration year to meet the requirement set forth in Ohio Administrative Code 3701-29-03 (C)(5). It is the responsibility of the sewage treatment system contractor to maintain records of CE hours earned and provide proof of the CEs to each board of health at the time of registration.

Certificates provided to contractors that complete the CE must include the following information:

- Name of the person completing the training
- Name of the registrant (company) the person represents
- Number of hours of approved CE earned at the training event
- Date of the training event
- Name of the provider (i.e. agency/organization)
- Name of the training event

Please remember that as a provider of an approved CEU program, you are required to submit documentation of the completed program/training to the Ohio Department of Health Residential Sewage Program within 60 days of completion, including a list of participants for the conference. Failure to submit proof of completion may result in disapproval for future trainings or programs.

You may submit documentation of the completed program via email to [BEH@odh.ohio.gov](mailto:BEH@odh.ohio.gov) or mail to:

Ohio Department of Health  
BEHRP Residential Sewage Program  
246 N. High St.  
Columbus, OH 43215

Thank you for partnering with the Ohio Department of Health to provide quality training and educational opportunities for sewage treatment system contractors throughout Ohio.

Sincerely,

*Kyle Bianco, RS*
