

It's SepticSmart Week! September 20-24, 2021

SepticSmart Week is an annual event focused on educating homeowners and communities on the proper care and maintenance of their septic systems. Our organization is one of 20 partners that is a member of the U.S. Environmental Protection Agency's (EPA) Decentralized Wastewater Memorandum of Understanding (MOU) Partnership.

We are a proud member of **EPA's Decentralized Wastewater MOU Partnership** and formally recognize **SepticSmart Week 2021** and its outreach activities.
