This training has been approved for the training hours listed above for renewal or activation under the Massachusetts Title 5 program. *In addition to the students' names, course title, date, and number of hours awarded, please use the following tracking code on letters or certificates of course completion, as well as on all correspondence with your students/attendees with the appropriate tracking code listed above.*

If this training/seminar/conference is offered again in the future, you should be able to use the same approval tracking code if the agenda has not significantly changed – if unsure, you may contact us (NEIW PCC) prior to the next offering. For any significant changes to the agenda or speakers, a new submittal and subsequent approval number will be required.

NEIW PCC maintains a web page with approved TCH courses for Title 5 professionals. This course will be added to that list at the time of the next update to the list. The web site is located at <http://neiwpsc.org/our-programs/wastewater/mass-title-5/approved-title-5-tch-courses/>, and will be updated periodically.

Sincerely,
Michelle Jenkins
