

# COMMUNITIES Unlimited

## RESOLVING WASTEWATER TREATMENT CHALLENGES IN SMALL COMMUNITIES

**GENERAL SESSION APRIL 7-8 | 8AM-4:30PM**

Tulsa Technology Center 10800 N. 137<sup>th</sup> Avenue, Owasso, OK 74055

**TRAIN THE TRAINER APRIL 9 | 8AM-12PM**

Hampton Inn and Suites 211 W. 3<sup>rd</sup> Street, Tulsa, OK 74103

*\*Must attend the 2-day training to attend this session\**

This training course aims to provide decision-makers with the information necessary to collaborate with engineers, soil professionals, construction managers, and financial personnel to get the best wastewater solution for their community.

The National Onsite Wastewater Recycling Association (NOWRA) and Communities Unlimited (CU) are hosting an in-person, no-cost training for engineers, designers, regulators, operators/service providers and others dealing with small community challenges. The goal is to provide the communities in need with the full range of options to resolve their wastewater treatment needs.

### WHAT YOU'LL LEARN:

- Wastewater treatment characteristics, risks, and options
- Data required before community decisions are made
- Working with professionals
- Decentralized options and solutions for collection, treatment, dispersal, and reuse

### PRESENTERS

Dr. Sara Heger, NOWRA  
Dr. Bruce Lesikar, NOWRA
