

Train the Trainer: Onsite Wastewater Treatment Systems (OWTS)

The purpose of this Train-the-Trainer (TTT) is to provide professionals working with decentralized communities and septic system owners learning materials that can be customized to provided interactive education about OWTS. Funds provided by EPA were used to develop an “Onsite Wastewater Treatment System User Guide” and the corresponding educational materials.

The National Onsite Wastewater Recycling Association (NOWRA) and RCAC are hosting an in-person no-cost training for property owners of onsite systems, realtors, and septic professionals.

It is highly recommended that individuals looking to attend this training should participate in the Homeowner Training the evening before. Registration for the homeowner training can be found at <https://bit.ly/septicsystemsbasics>

WHEN?

Wed, May 24 • 9:00 AM – 12:00 PM

WHERE?

Northern Quest Casino, Kalispel Room
100 N. Hayford Rd., Airway Heights, WA 99001

PRESENTED BY:

Dr. Sara Heger, NOWRA & University of Minnesota

Dr. John Buchanan, NOWRA & University of Tennessee

REGISTER ONLINE:

<https://bit.ly/TrainTheTrainerOWTS>

Please note: There is no cost to attend.

WORKSHOP WILL:

- Provide more background on OWTS components and treatment methodologies.
- Provide more in-depth information on advanced pre-treatment systems.
- Customize marketing and training materials based on locations and audience.

RCAP is an equal opportunity provider and employer and does not discriminate against qualified individuals with disabilities.

This workshop is made possible thanks to funding from the U.S. Environmental Protection Agency (EPA).
